Computer Help – Toronto
20 Queen Street West, Suite 3306
(Queen St. W. & Bay St.)

Our Toronto location is located in the Cadillac Fairview Tower, high above one of Toronto's most notable landmarks, the Eaton Centre shopping mall.

To get to it by:

Car

There are many nearby places to park, but the easiest to use is the Eaton Centre's indoor parking lot; the parking rate is roughly \$20/day. When you enter the lot, drive as far south as you can. Take the parking elevator to the 3rd Retail Level and enter the Eaton Centre.

TTC

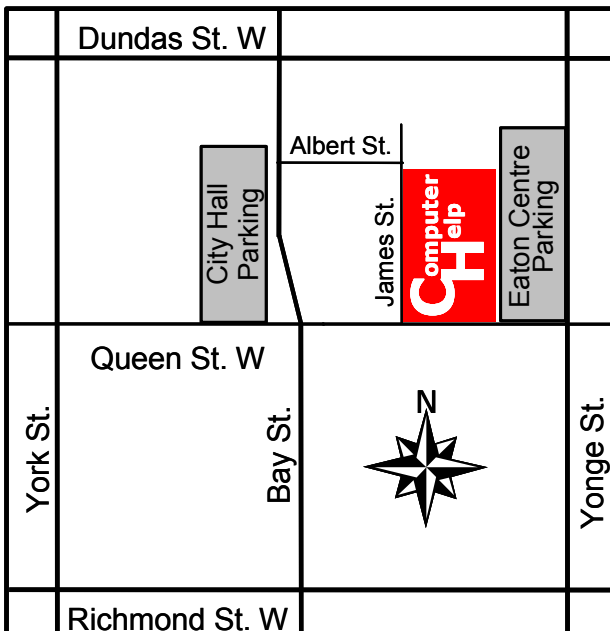

Take the Yonge subway line to the Queen Street stop. Exit into the Eaton Centre and take the escalators or elevator to the top retail level and walk to the far south end.

You can also get to the Eaton Centre on the 501 Queen or 505 Dundas streetcars.

Getting into our Office

Once you've made it to the Eaton Centre, the entrance to the Cadillac Fairview Tower is inside the Centre on the uppermost retail level at the far south end, between the walkway to the Bay and the Second Cup. You can also get to the building by exiting the Eaton Centre onto Queen Street and walking a few yards west to the outdoor entrance of the tower.

Once you're in the Cadillac Fairview Tower, we can be found on the 33rd floor. Please note that the Tower lobby has two banks of elevators, one which goes to the lower floors and one which goes to the higher. You'll need to use the latter.
